## QUESTION OF THE MONTH

Superheroes don't get to take vacations very often. (Fortunately for us, comic book creators do!) Since we're in the middle of a long, hot summer, we thought we'd ask our creators where they would send their characters for a little rest and relaxation!

**Jeff Moore (Penciler, GIANT-MAN Limited Series):** I'd send Giant-Man to the Grand Canyon, so he could really stretch out and relax!

**Jim Hall (Penciler, SILVER SURFER #96-99):** I'd send the Surfer to the Restaurant at the End of the Universe! Maybe while he's there, he can confirm if Kirby's signature is in the corner or not!

**Greg Wright (Writer, SILVER SABLE):** I'd send Silver Sable anywhere where there wasn't any trouble for her to get into — someplace where there is no need for mercenaries, and no money to be made! Somewhere like Gilligan's Island!

**Barbara Slate (Writer, BARBIE FASHION):** This is a difficult question, since Barbie goes everywhere! She's been to Paris, she's been to the Moon ... If there's a place where Barbie hasn't been, I'd send her there!

**John Arcudi (Writer, WARLOCK & THE INFINITY WATCH):** I'd send Warlock and the Infinity Watch to South Central Los Angeles!

**Mark Powers (Editor, SPECTACULAR SPIDER-MAN):** I'd send Spider-Man to St. Edward's University in Austin, Texas, where he could watch the Dallas Cowboys practice for the upcoming season!

**Scott Marshall (Assistant Editor):** I'd send Beavis & Butt-Head to summer camp, since that's where they go in this month's issue!

**James "Professor" Felder (Assistant Editor):** I'd send the Hulk to my apartment building. Maybe he could get my landlord to fix my air conditioner!

**Lee Northing (Writer, ALADDIN):** Where would I send Aladdin? Not to Euro-Disney!

**Glynis Oliver (Colorist):** I work on Hulk, Namor, and X-Factor. If I sent them all on vacation, then I could have a vacation!

**Jaye Gardner (Assistant Editor):** I'd send the X-Men back to the past, since things were a lot less dangerous then!

**Craig Gilmore (Penciler, MORBIUS THE LIVING VAMPIRE):** I'd send Morbius to Alaska! The nights can last for six months out there, so he could go out and party all night!

**John Lewandowski (Writer, ROCKO'S MODERN LIFE):** I would send Rocko to the X-Men Mansion! If he's there, more people will buy the book, which means better sales and more royalties!

## NEWSLINE

**ITEM!** If you think your family is strange, wait till you meet the CLAN DESTINE, the stars of a new monthly series from writer/artist Alan (EXCALIBUR) Davis! The Clan Destine is a super-powered family that has remained in hiding for many years. When a mystery villain starts killing members of the clan, the family is forced to come out of hiding and become reluctant heroes!

Alan said his goal with the series is to "take the idea of the family dynamic and apply it to the superhero genre." Alan compared the Destinies to a real family, saying "they don't live in one house; they're scattered all over the globe, and they don't always get on with each other."

The Clan Destine, who first appeared in MARVEL COMICS PRESENTS, can be seen this week in a special #0 preview issue. CLAN DESTINE #0 features production

sketches, an interview with Alan Davis, and an overview of Alan's work for Marvel!

In two weeks, CLAN DESTINE #1 debuts, chronicling the exploits of the six core members of the team: Crimson Crusader, Imp, Vex, Wallop, Argent, plus one other, as well as their infinite number of relatives. Alan said CLAN DESTINE will have some humor in it, but that it will be "much darker" than his work on EXCALIBUR. Fight fans are in for a treat with CLAN DESTINE, which Alan described as, "the most action-packed thing I've ever done!"

CLAN DESTINE is firmly set in the Marvel Universe; among the villains and guest stars in the first five issues will be Mook and the Silver Surfer! Joining Alan on the book is fellow Brit, Mark Farmer, who inked many an EXCALIBUR page over the years.

If you're looking for a truly offbeat superhero team, why not invite the Clan Destine into your home? It'll be a family reunion you'll never forget!

## HYPE BOX

The Punisher returns to Gotham City and meets the original Batman in PUNISHER/BATMAN: GOTHAM KNIGHTS, the continuation of the crossover that began in June. Writer Chuck Dixon notes, "This is not a team-up! Batman cannot tolerate the idea of The Punisher in his city!" The action begins when Jigsaw comes to Gotham, hoping to take over the criminal underworld, with the Joker as his guide! Artists for GOTHAM KNIGHTS are John Romita, Jr. and Klaus Janson. Dixon described GOTHAM KNIGHTS as "the fastest-paced thing I have ever written!" Dixon noted that "I've been dying to do this story for years! Batman and The Punisher had to meet — if not get along!"

## MESSAGE FROM MIKE

Hi gang! As both "Kooky" KEN MITCHRONEY and myself are die-hard rasslin' fans, we both sincerely hope you enjoyed our issue of madcap squared-circle action. Any other ideas for wacky scenarios you'd like to see Ren & Stimpy in? Write in and let 'em no!

Mike

Dear Dr. Stupid,  
Where does dryer lint come from?  
Taylor Groupe  
Pendleton, OR

From the the navels of Yaks and Chimps, of course! After picking, the lint is packed in crates and flown to your local market.

Dear Dr. Stupid,  
Why?  
Alyssa Bednarek  
10 Hillside Ave.  
Stanhope, NJ 07874

Why not?

Dear Dr. Stupid,  
Why do fools fall in love?  
Petha Davis  
(Address withheld by request)

Because nobody put a fence around it!

Dear Dr. Stupid,  
Why do men have chest hair and not women?

Juliana Holt  
403 Pine Bluff St.  
Malvern, AK 72104

You've obviously never met Mrs.

Hoak.

Dear Dr. Stupid,  
If lions travel in prides, geese travel in gaggles and fish swim in schools, then what do croco-stimpys travel in?

Zack Marshall  
7415 Clubhouse Dr.  
Fort Wayne, IN 46835

Buses.

Dear Dr. Stupid,  
If you could lick a rainbow, what would it taste like?

Michael Ikeda Chandler  
Oxford, MS

Alr.

Dear Dr. Stupid,  
Do I get a free t-shirt if you answer my question?

Dear Dr. Stupid,  
Does it get any better than this?

Bill Hall

Cromwell, Ct 06416

See the answer to Brian Lewis' question.

Dear Dr. Stupid,

How did the dinosaurs die?

Nicole Barngrover
